BRETFORD®

PureCharge Pro Station™

Meet PureCharge Pro™, a universal solution for fast charging and secure storage of USB-C devices. With built-in 65W USB Power Delivery technology and pre-wired USB-C cables, this future-proof product is ready-to-go out of the box and supports up to 20 devices.

PureCharge Pro Station™ Shown in Platinum (PM) with Black Trim

PINT-SIZED POWERHOUSE

Built-in USB Power Delivery provides 65W fast charging in a package 20% smaller than comparable AC solutions.

NO CABLE MANAGEMENT NEEDED

Pre-wired USB-C cables are customized to the perfect length, eliminating up to 100 feet of excess cord length with zero setup time.

THERMAL MANAGEMENT

Thermal chimney design, coupled with two internal fans keep devices cool during charging.

BUILT TO LAST

Each unit is fully welded. Designed and built in the USA.

AT-A-GLANCE CHARGE STATUS
LEDs above each slot indicate whether devices are charging (orange) or fully charged (green).

ORGANIZED CABLES | Perfect length cables feature right-angle connectors to eliminate cord strain and retention bracket to prevent unauthorized removal.

65W FAST CHARGING | USB Power Delivery intelligently adapts to provide optimal charging rates to each device.

POCKET DOOR | Neatly tucks out of the way when the station is open to unload devices.

SECURITY | All-steel, fully welded construction with 3-point locking system provide enhanced security for protecting your devices.

STACKABLE | Space-saving design allows stacking of up to three stations to support up to 60 devices in a single footprint.

SPECIFICATIONS
