

# TSC America's OneCall Service Program

Flexibility, Performance, Peace of Mind

**Stronger  
Together**

TSC Auto ID

TSC Auto ID's OneCall Service Program offers **Extended Service & Extended Warranty Programs** enabling users to protect their investments and ensures devices are always in working condition. In this program three options are available: **On-Site Extended Service, Return to Depot Extended Warranty and Return Parts to Depot**. The TSC OneCall Service Program is an enhancement of the original factory warranty, protecting your devices for additional years.

## One Program, Flexible Options

TSC OneCall offers an ideal mix of features and benefits. OneCall provides continuous support and services, enabling clients to effectively plan and budget for all maintenance requirements to ensure devices remain in optimal operational condition. TSC offers flexible contract durations of **up to five years** to enhance asset protection. To maximize value, we strongly recommend selecting and purchasing the appropriate service plan concurrently with the device acquisition.

# OneCall: Factory Limited Warranty Overview

At TSC Auto ID, we are dedicated to being a premier solutions provider and thought leader in the AIDC industry. We build strategic partnerships and adaptive solutions to drive innovation through automatic data identification, leveraging advanced methods, technologies, and devices – delivering more than expected.

## Standard Factory Limited Warranty for TSC Printers

TSC Auto ID brings 34 years of expertise to the AIDC industry. All TSC and Printronix printers are covered by a standard two-year factory limited warranty.

Limitations include:

- Printhead: 25km (1 million inches) or 12 months, which ever comes first
- Platen: 50km (2 million inches) or 12 months, which comes first
- Covers manufacturer defects.
- Normal wear and tear, accidental damage, batteries and optional accessories are not covered.

## Standard Factory Limited Warranty for TSC Enterprise Mobile Computers (i.e., Basic Care Warranty )

Bluebird maintains a strong global presence, supported by over 2,000 partners and serving more than 3,300 enterprise customers worldwide. This reach underscores our commitment to delivering exceptional value through trusted partnerships and robust service offerings.

*To ensure consistent customer satisfaction and operational stability, all Bluebird devices are backed by our standard Basic Care, a one-year limited warranty.*

Customers have the option to upgrade their coverage from Basic Care to one of our premium service packages: Value Plus or Enterprise Standard.

Our global service network is dedicated to supporting Basic Care coverage, helping you reduce risk and maintain peace of mind.

Key Benefits of Basic Care:

- Free 1-year coverage included with every Bluebird device.
- Turnaround time: Standard repair turnaround is 15 business days.
- Software support: Included during the warranty period.

Device coverage: Covers manufacturer defects. Normal wear and tear, accidental damage, and optional accessories are not covered. Return shipping: After repair, TSC will cover the return shipping costs from TSC HQ or Authorized Service Centers (ASC) back to the customer or partner. If you need additional coverage or extended warranty options, please contact us for available service plans beyond Basic Care.

# OneCall: Enhanced Service Options That Provide Total Protection

## OneCall: On-Site Extended Service

**On-Site Extended Service** provides the fastest and most convenient method for ensuring continuous operational uptime. Our certified technicians will travel directly to your location to restore your device to optimal performance. The **TSC Extended Service Program** agreement includes all necessary labor and travel expenses for the repair. Furthermore, under this program, all covered TSC Auto ID devices receive the following benefits at **no additional cost**:

- A service technician will arrive the next business day after a service call to most locations<sup>1</sup>
- On-site response with parts readily available
- TSC Auto ID will cover parts<sup>2</sup>
- All TSC Auto ID genuine parts and labor<sup>3</sup>
- All travel cost for the repair is included<sup>1</sup>
- Available for Printronix printers also

## OneCall: Return Device to Depot Extended Warranty

Reduce the hassle of hardware issues with the Return to Depot Service. Ship or deliver the unit to our service center that is closest to you and enjoy delivery of a fully operational unit to your location<sup>1</sup>. The Return Service includes:

- Parts and labor<sup>2</sup>
- Repair of non-functioning equipment based on plan selected<sup>2</sup>
- Cleaning and adjustment
- Complete preventative maintenance
- Return shipping at no cost
- Turnaround of up to 10 business days after date of receipt
- Engineering updates are automatically applied

## OneCall: Return Parts to Depot<sup>3</sup>

(Certified Partners only)

Integrating the **Return Parts to Depot** service at the point of purchase effectively safeguards your printer investment. This service offers two tiers—the **Non-comprehensive** and **Comprehensive Parts Warranty**—allowing selection of optimal parts coverage. The service also includes essential **technical support** and diagnosis via phone or email for initial issue resolution.

<sup>1</sup> Service availability & office hour depends on the region and location.

<sup>2</sup> For detail terms and conditions, please refer to "Warranty Coverage" table in the brochure.

<sup>3</sup> Does not apply to third-party service providers not authorized by TSC.

## Easy to Purchase

Contact your local sales representative for pricing and service details before deciding on a service. After the consultation, simply inform your sales representative at the time of printer purchase, which is a hassle-free way to do things. As additional requests aren't included in TSC America's One Call Service Program, feel free to reach out to your local sales representative or service contract manager at.

	Failure/Broken	※ <sup>1</sup>	※ <sup>1</sup>

## Exclusion:

Printer warranty coverage has the following exceptions:

- Parts that have been misused, altered, neglected, handled carelessly, or used for purposes other than those for which they were manufactured.
- Damage resulting from accident, acts of nature (lightning), fire or damage resulting from unauthorized service.
- Modified or unauthorized parts.
- Any defects in a printer to the extent that these are due to the use of defective or inappropriate supplies with the printer or any defect or error in any unauthorized software used on, or in association with, the printer.
- Printer failures caused by water intrusion or component failures caused by excessive humidity within the printer.
- Accessories, options (field installable kit), batteries.
- If you have any inquiries regarding Comprehensive Warranty coverage, please contact your local sales representative.

<sup>1</sup>Please visit TSC Auto Website for current factory warranty policies at <https://usca.tscprinters.com/en/warranty-policy>

<sup>2</sup>If the number of Desktop TPH, Platen Roller, Chassis replacements during the comprehensive contract term is excessive, an audit will be conducted to determine the reasons and apply the corresponding corrective action.

<sup>3</sup>Available in North America, only for selected mobile printers.

# Bluebird Warranty Coverage Chart
