

Z-Band® Comfort Wristbands

A comfortable, cost-effective, short-term wristbanding solution

High-quality care begins with accurate patient identification to ensure safety from admission to discharge. In addition, patient comfort is important. Designed to withstand your hospital's environment in short-term patient stays, Zebra's economical Z-Band Comfort wristbands ensure patient comfort while also enabling staff to easily identify and care for patients. You can rely on Zebra—a leader in patient identification—to meet your varying wristbanding needs.

Z-Band Comfort Wristbands Feature:

- Soft, direct thermal material
- Adhesive closure
- Silver antimicrobial coating that protects the wristband from degradation
- Latex-free material
- MR-Safe*

Z-Band Comfort Wristband Specifications

Part Number	Size	
10035249	1" x 11" 25 mm x 275 mm	

*Z-Band wristbands are made of polypropylene and vinyl. The direct thermal imaging chemistry is composed primarily of leuco dyes and developers. The inks / varnishes used are UV varnishes and water-based inks. There is no metal content in or on these particular patient identification bands. Therefore, Z-Band wristbands are considered to be MR-Safe.
